

CERTIFICATE OF FACTORY PRODUCTION CONTROL

Reg.-Nr. 1075-CPD-Z291-3/06

In compliance with the Directive 89/106/EEC of the Council of European Communities of 21 December 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of 22 July 1993, it has been stated that the construction product

**Wood-based panels for use in construction,
Birch-Plywood, Typ FK,
for internal use in dry conditions as structural components
class F30/20 E50/30
(thickness area 9 mm to 21 mm)**

produced by the manufacturer / in the factory

**OAO UIFK
ul. Fanernaya, 5
pos. Pontonny
196691 Saint-Petersburg,
Russia**

is submitted by the manufacturer to the initial type-testing of the product and a factory production control and that the notified body MPA Bremen has performed the initial inspection of the factory and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986 : 2004

were applied.

This certificate was first issued on July 17, 2006 and remains valid as long as the conditions laid down in the harmonised technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Bremen, July 17, 2006

Deputy Chief of authorised Certification Body of MPA Bremen)
