

CERTIFICATE OF FACTORY PRODUCTION CONTROL

Reg.-Nr. 1075-CPD-Z291-2/06

In compliance with the Directive 89/106/EEC of the Council of European Communities of December 21, 1988 on the approximation of laws, regulations and administrative provisions of the Member States relating to the construction products (Construction Products Directive – CPD), amended by the Directive 93/68/EEC of the Council of European Communities of July 22, 1993, it has been stated that the following construction product

**Wood-based panels for use in construction,
Birch Plywood, Type FSF,**

uncoated or filmfaced

for internal use in humid conditions and for external use

as structural components

class F40/25 E70/40

(thickness area 9 to 40 mm)

produced by the manufacturer / in the factory

**OAOU IFK
ul. Fanernaya, 5
pos. Pontonny
196691 Saint-Petersburg,
Russia**

has been submitted by the manufacturer to the initial type-testing and is subject to continuous factory production control and that the notified body MPA Bremen has performed the initial inspection of the factory/production and of the factory production control and performs the continuous surveillance, assessment and approval of the factory production control.

This certificate attests that all provisions concerning the attestation of factory production control described in Annex ZA of the standard

EN 13986 : 2004

were applied.

This certificate was first issued on July 17, 2006 and remains valid as long as the conditions laid down in the harmonized technical specification in reference or the manufacturing conditions in the factory or the FPC itself are not modified significantly.

Bremen, July 17, 2006

(Dipl.-Chem. Jens-Jürgen Lau,
Deputy Chief of authorised Certification Body of MPA Bremen)
