New textures

RT Rust^{NEW}

The stucco texture echoes the distressed appearance of concrete and metal. It has a worn character that's fully on-trend with the urban look.

PH Palazzo Touch^{NEW}

Inspired by vintage marble and soapstone textures, the dual gloss surface replicates natural cracks and indentations with a burnished, waxy touch.

GM Glitter Matt^{NEW}

Elegant matt texture, combining a soft, silky touch with the eye-catching and subtle sparkle of aluminum flecks.

AF Authentic Fine^{NEW}

Velvety texture with a luxurious soft-touch tactile effect and an anti-fingerprint finish.
